

Community-Based Strategies for Providing Early Childhood Mental Health Conference – September 23-25, SeaTac Marriott

Professionals working in the area of early childhood development and mental health from six Washington State Counties, including Klickitat, Snohomish, Grant, Whatcom, Spokane and Kitsap, gathered for the “Community-Based Strategies for Providing Early Childhood Mental Health Conference” held at the SeaTac Marriott, September 23-25. Sponsoring organizations included the Washington State Council for Children and Families, the Washington State Department of Early Learning, and the Washington State Mental Health Transformation Project.
